

Double-articulated wall mount for flat panels that ranges from 42" to 70"

Sturdy 3 mm thick rolled steel

Reaches 69-615 mm (2.7"-24")

SWL 30 kg/ 66 lbs

Vision's **Vision Flat-Panel Mount - Wall Arm** range is tough and flexible. The VFM-WA6X4/3 fits any flat-panel LCD or LED screen which has rear mounting holes up to 600 x 400 mm apart.

### Up to 70"

Most larger displays use VESA arrangement of mounting points up to 600 x 400 mm apart, so the WA6X4 fits the majority of displays up to this size. Note: if a larger display has the correct mounting points and weighs less than the SWL this mount can support it safely.

### Safe Working Load

The strong mechanical design has a "safe working load" of 30 kg/ 66 lbs.

### Adjust Level

Didn't fix the wall plate perfectly plumb? No problem! 6° of rotation allow you to get the display level easily once the display is in place.

### Tilt and Swivel

-5-15° tilt and 90° swivel. Use this mount to fix a display in a corner up high in a waiting room, or fix displays around an office or in meeting rooms.

### VESA

The VESA system defines how far apart the mounting holes are on the back of your flat-panel. Holes 600 x 400 mm apart are known as VESA 600x400 and will suit this mount. This mount also covers all smaller VESA sizes down to 200 x 200.

### Cable Management

Integrated sleeves allow cables to be routed under the arm.

### Secure

Once the display assembly latches in place two thumbscrews can be added to the latch to lock it in place.

## SPECIFICATIONS

**PRODUCT DIMENSIONS**

see image

**PACKAGED DIMENSIONS**

720mm x288mm x73mm/ 28.3" x 11.3" x 2.87" (length x width x height)

**PRODUCT WEIGHT**

7.2kg/ 15.9 lbs

**PACKAGED WEIGHT**

7.7 kg/ 17 lbs
