

Works with Vision's professional and value wall mounts

Pair of legs

1500 mm (59") tall

Cable Management

Wall mounts can be fixed at various heights

This set of legs allows any Vision wall mount to be converted into a simple floor stand. The legs fix to the wall and transmit the load of the display safely to the floor.

### Cable Management

Cables can be routed through the legs to keep the installation tidy.

### Compatibility

Works with ALL Vision wall mounts:
