Part of Vision's Techconnect modular AV faceplate family, this table surround allows seamless AV integration into boardroom and meeting room tables.

#### Tactile Quality

Lift the lid and feel the weight. Strong, finely finished materials have been selected to make this product.

#### Slow-Close

Throw the lid closed and a damper slows the lid, closing silently.

#### 9-Module Capacity

Mix and match the modules you need in a future-proof enclosure.

#### Optional Power Sockets

Choose Vision's Schuko (EU) or 1363 (UK) power socket modules (Part numbers TC3 PWREU or TC3 PWRUK).

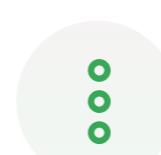

#### Plug In And Close

A 15 mm / 0.6" gap around the lid means you can plug-in or pull-up, then close the lid to get back table space for your meeting.

#### A4

The bezel is very similar in size to an A4 piece of paper – slightly narrower.

#### Cable Tie Points

Vision takes ease of installation seriously. Installers will enjoy multiple 6 mm / 0.23" fixing holes for securing cables underneath the chassis.
